DATE MAILED:

Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner for Patents

The reply filed on December 12, 2007 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): Applicant's response to the restriction requirement mailed 12/10/2007 adds additional product claims but does not provide an election of a species by SEQ ID number as was required on page 3 of the restriction requirement mailed December 10, 2007. The claims added by applicant on 12/28/07 are members of Group I, antibodies that bind vWF, but they in no way alter the scope of the elected invention such as to render the species election moot. Further, applicant has not argued that the species election is unwarranted and has not in fact even acknowledged the species election requirement mailed December 10, 2007.

Since the above-mentioned reply appears to be bona fide, applicant is given ONE (1) MONTH or THIRTY (30) DAYS from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Michael Szperka whose telephone number is 571-272-2934. The examiner can normally be reached on M-F 8:00-4:30.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Eileen O'Hara can be reached on 571-272-0878. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
